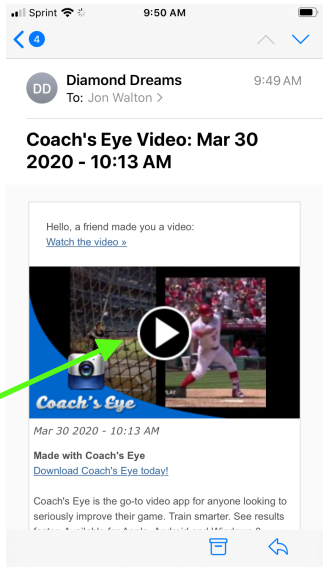
What to do when you get our review via email

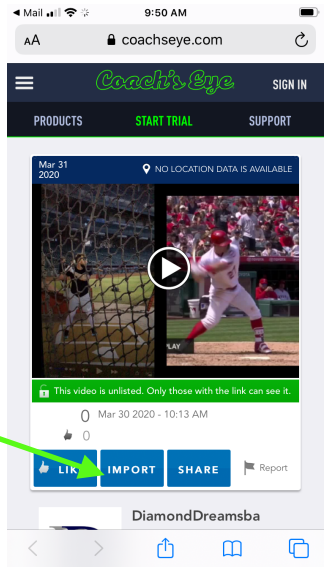
1. Open the email on your phone where the app is installed. **This is really important!**

Then click on the image of the video.

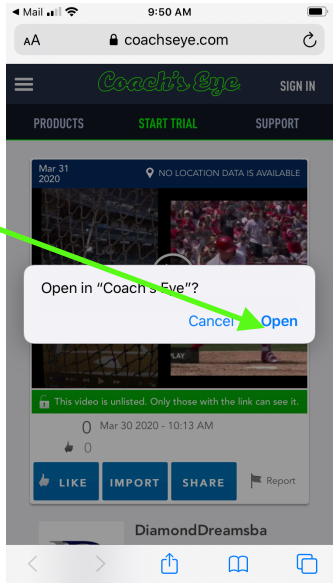


2. It'll open up a web browser on your phone.

Click on the import button. (If you're not on the phone where you have the app, nothing will happen.)

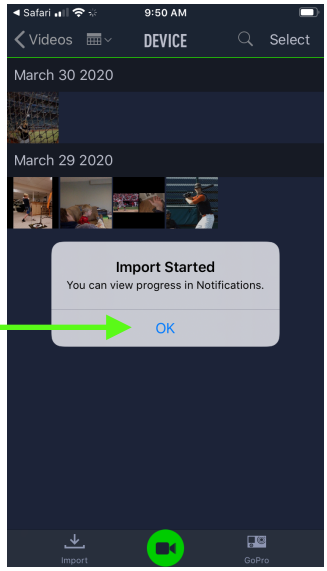


3. A box will box will pop up asking you to open in "Coach's Eye." Press open.



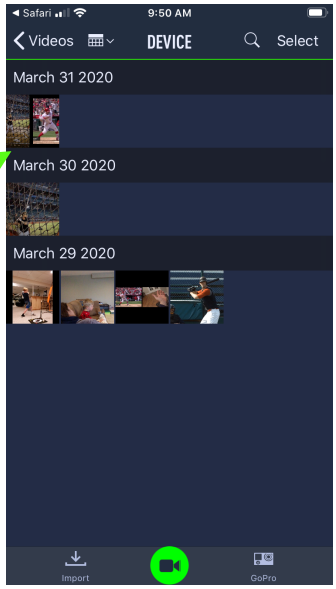
4. The app will open and this box will appear letting you know that your video is importing into your app.

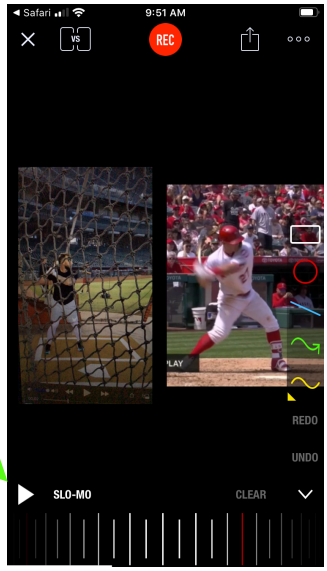
Just click OK.



5. Once the video is imported you'll see it at the top of the videos that are on your device. Click on the video to open it.

Now that you did this, the video is stored inside your app. That means when we delete it on our app, you'll still have access to it!





6. Once the video opens, just click on the play button in the lower left hand corner and the video will play and you'll see and hear our video review! Enjoy!
