Dear Potential Coaches In Training Candidate,

At Diamond Dreams, we believe the future of our camps lies within you. We will train you and give you the tools necessary to one day become a great leader and/or coach. You will be the one who determines how these tools are used. Whether you have been a camper before or this is your first experience with us, we believe you have the potential to be a great asset to the Diamond Dreams Family.

Please understand if you are accepted into our CIT Program, you are still considered a “camper”, yet you will be held to a higher standard. This means from the moment you accept this position, you will need to be a positive role model at camp, for your team, and in the community.

Throughout the summer, you will be working with the Camp Director and staff on team building, activity planning, role modeling, problem-solving and assisting with supervision. The other part of your CIT experience will be working within an assigned group of campers and staff. This will give you the chance to implement the skills you learned from the Camp Leadership Staff and peers. As a CIT, you are a representative of Diamond Dreams – both while at camp, but also within the community.

Being a CIT at Diamond Dreams is an honor and something the community views as an important leadership role. I hope after you have read this letter, you’re still interested in being a CIT, and understand how important your role is to us. Acceptance to the program is based on this application and your letters of recommendation. **Return this application packet by May 1st. The interview will be held at The Academy at 10am on May 17th.** Thank you for your interest in becoming a part of the Diamond Dreams Family.

Looking forward to a summer filled with fun and getting to know our future leaders!

Brad Dalton

Camp Director

CITS for Softball MUST be available the week June 29th to July 3rd, as this is the only week we offer Softball Camp! 🙂

We have a limited number of CIT openings. We accept the strongest candidates who are the most qualified and that demonstrate a desire to learn and grow as both counselors and leaders in our community. Please note that CIT positions do not guarantee a paid-position on staff in following years, but will play a factor. **Return this application packet prior to your interview.**
